

Virucidal Anti-Bacterial H-42 Clean Clippers

Our patented formulation contains no chlorinated solvents and has a flash point of 248 degrees Fahrenheit TCC making this product safer than most other cleaners on the market. This product has a pleasant fragrance leaving cutting blades cleansed, lubricated, germ free and deodorized. Blade removal is unnecessary. *Please see cleaning instructions for more information.

Virucidal Anti-Bacterial H-42 Clean Clipper creates a **Zone of Inhibition** on all metal hair cutting blades, where germs, bacteria, and viruses cannot survive, and preventing cross-contamination. H-42 Clean Clippers is personal hygiene for electric clippers. This product will also help keep your instruments in excellent working order. Unlike alcohol and other cleaners, this product will not corrode or rust expensive barber or salon tools. H-42 Clean Clippers does not produce harmful vapors that will endanger your health.

CLEANS, LUBRICATES, DEODORIZES AND CONDITIONS YOUR CUTTING BLADES

The only blade disinfectant with a Federal Patent, and is EPA Registered and Approved. Accepted by the National Assoc. of Barber Boards of America. Water free Virucidal Anti-Bacterial Blade Cleaner designed to prevent the transfer of Bacteria and HIV-1 from one cutting to the next. On hair cutting blades, shears, and the like, it cleans without removing the blades). The oscillation of the blades when immersed in the solution will loosen and remove fouling particles, spray or drip application. Virucidal Anti-Bacterial H-42 Clean Clippers helps electric clipper blades to run smoother, cooler and more efficiently. It will also prolong the working life of your clippers and help keep your blades sharp by removing hair and dirt. In the medical talk section of a leading beauty magazine Dr. Stephen W. Gordon, Board Certified Plastic Surgeon, discusses the prevention of Perifolliculitis Keloidalis Occipitalis and the benefits of Virucidal Anti-Bacterial H-42 Clean Clippers. "Although *this is not intended in any way to be a plug or advertisement for H-42 Clean Clippers*, this product in my opinion, is by far the best solution to disinfect and lubricate clippers."
