

**We are all caught up. You should get your order back 7 to 12 days after you mail it depending on how slow the US Post Office is.**

### **ATTENTION**

**We will be observing Christmas Day with our family in Arkansas. We will be closed December 20th through Jan 3<sup>rd</sup> 2018, reopening Jan 4<sup>th</sup> 2018. Plan your shipments accordingly. We are not answering the phone during this timeframe. Please don't leave a message, call us when we get back. The post office will hold and not deliver all incoming boxes from Dec 18<sup>th</sup> until we pick them up on Jan 4<sup>th</sup> 2018 when we re-open. Use the tracking number on your receipt.**

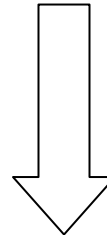

**Please send your stuff AFTER we get back (Jan 4<sup>th</sup>) and not before. Don't mail anything to us after December 12<sup>th</sup> 2017 because it won't get done and mailed back out. Everyone will think to get their stuff done before we leave and we'll get overwhelmed with boxes and it may not get done before we leave and it will sit two weeks until we get back. Have backup equipment because we aren't going to move your box ahead if you call frantic.**
