

You should get your order back 7 to 12 days after you mail it depending on how slow the US Post Office is.

If we talked about something on the phone, or you asked something in a email, write me a note someplace on the "Mail-in" sheet. I don't take notes or print out emails to hold on to. I like to have all information in one place, on the "Mail-in" sheet. It's up to you to put it there for us.

The Free Return Shipping Deal (less insurance)

We will give free return shipping on orders that have \$101.00 or more of sharpened items to the lower 48 states only. This includes blades and shears only, NOT THE INVOICE TOTAL. Does not include any parts, equipment sales, or clipper repair, just sharpened items only. Price of return shipping for orders UNDER \$101.00 in sharpened items is a flat rate of \$10.00 to lower 48 states. If your total of sharpened items is \$100, that's under \$101.00, add another piece of equipment. Please don't call asking for free shipping since you're only a dollar short, that isn't the deal. This will continue until the Post Office discontinues using regional and/or flat rate shipping boxes.

NOTE: We won't pay free return shipping on the "Davis" box or "Davis-Like" boxes, no matter if your sharpening total is \$101.00. The postage to ship this box is outrageous for both of us.

IMPORTANT

We will be shut down Sept 27, 28, 29 30, and Oct 1st 2018. We will be at the NBTSG Sharpening Convention in Nashville TN. This is the big one and Im teaching a class there on Friday 9/28/18. We will open up Tuesday October 2nd just in time for my 69th birthday. Plan your shipments accordingly, they will be delayed a couple days.

IMPORTANT

DO NOT SHIP TO MOBILE ALABAMA ANYMORE.

**The US Post Office will be forwarding boxes to our Arkansas address for one year if you ship to our old address 2319 Granada Ave by mistake. If you ship to our address from 5 years ago, University Blvd, it will not be forwarded it will be returned with a red sticker.
