

**You should get your order back 7 to 12 days after you mail it depending on how slow the US Post Office is.**

**If you want to leave us a note to remind us of something, or ask us to do something, write it down in the margin of the Mail-in Sheet or on the back of it. We don't take notes of any phone conversations.**

**The Free Return Shipping Deal (less insurance)**

We will give free return shipping on orders that have \$101.00 or more of sharpened items to the lower 48 states only. This includes blades and shears only, NOT THE INVOICE TOTAL. Does not include any parts, equipment sales, or clipper repair, just sharpened items only. Price of return shipping for orders UNDER \$101.00 in sharpened items is a flat rate of \$10.00 to lower 48 states. If your total of sharpened items is \$100, that's under \$101.00, add another piece of equipment. Please don't call asking for free shipping since you're only a dollar short, that isn't the deal. This will continue until the Post Office discontinues using regional and/or flat rate shipping boxes.

NOTE: We won't pay free return shipping on the "Davis" box or "Davis-Like" boxes, no matter if your sharpening total is \$101.00. The postage to ship this box is outrageous for both of us.

**IMPORTANT**

**We will be out of the shop at a sharpening seminar in Ohio from Friday March 16<sup>th</sup>, to Monday March 19<sup>th</sup>. This includes travel to and from Ohio. Back to work on Tuesday March 20<sup>th</sup>. We aren't closing during this time, my crew will handle everything but shears.**
