

Wahl Clipper/Trimmer Re-furbishing

The Wahl Clipper Corporation has clipper and trimmer refurbishing for a flat rate. No matter what condition the clipper/trimmer is in, they will make it like new and ship it back for the stated price. If you send a blade along with the unit they will sharpen it for free (good examples: Arco, Stylique, Mini-Arco, Mini-Chromo, Tid-bit, or A-5 blades)

Send the clipper/trimmer to Wahl at the address below and include the refurbish payment along with it as a check or money order (no credit cards this time). They will refurbish, sharpen, and ship back to you for the flat rate price. There are different prices for different clippers and trimmers. (see below) Phone: 815-625-6560

*** This service includes a 6 month manufacturers warranty ***

*** This service includes a 6 month manufacturers warranty ***
